ABOUT OUR COCKROACH & PEST SPRAY

The GREEN GUARDIA Cockroach & Pest Spray Power provides a natural and highly effective solution for controlling cockroaches and other pests. The special formula with geraniol protects living spaces, kitchens, bathrooms and other areas reliably and ensures a hygienic environment.

Geraniol – a plant-based active ingredient – disrupts the behavior of pests and keeps them away, without harsh chemicals. Ideal for use in households with children and pets.

COCKROACHES & PESTS – A PERSISTENT PROBLEM

Cockroaches and other pests are not only unpleasant, but can also carry germs and bacteria. They hide during the day in cracks and crevices and come out at night in search of food.

Typical signs of an infestation:

- Sightings of cockroaches or other pests, especially at night
- Droppings (small, dark specks or streaks)
- Shed skins or empty casings (exuviae)
- Unpleasant, musty odor
- Hiding places in cracks, behind appliances, furniture or pipes

COMMON HIDING PLACES OF COCKROACHES & PESTS

- Behind and under kitchen appliances (e.g., stove, refrigerator, microwave)
- In cabinets, drawers and storage units
- In cracks and gaps in walls and baseboards
- Under sinks and in drainage areas
- Behind washing machines, dryers and heaters

COMPOSITION:

Water, alcohol, neem oil, citronella oil, geraniol, auxiliary substances (emulsifiers, preservatives).

BAUA REGISTRATION NUMBER:

N-121067

Product type: PT 8 – Insecticide

USE BIOCIDES WITH CARE. ALWAYS READ THE LABEL AND PRODUCT INFORMATION BEFORE USE.

ACTIVE INGREDIENT:

- Geraniol
- Plant-based active ingredient
- Effective & reliable
- Pleasant scent
- For a hygienic home

GREEN GUARDIA

APPLICATION & PROTECTION

COCKROACH & PEST SPRAY

SIMPLE APPLICATION – IN 4 STEPS FOR THE BEST PROTECTION

1 PREPARE

Clean surfaces and areas of heavy dirt, food residue and grease. Avoid direct water before application.

2 SHAKE

Shake the bottle well before use to evenly distribute the natural active ingredients.

3 SPRAY

Spray from a distance of approx. 20–30 cm onto walkways, hiding places and affected areas. Let it dry.

4 REPEAT

For long-lasting protection, apply regularly – especially in case of heavy infestation or re-infestation.

RECOMMENDED AREAS OF USE

KITCHEN
Work surfaces, sinks, behind and under appliances, cracks and joints

CABINETS & DRAWERS
Pantry and storage cabinets, undersides and back panels

BATHROOM
Sinks, pipes, joints, behind the toilet and bathroom furniture

HEATING AREAS & CELLAR
Heaters, pipes, corners and damp, dark areas

WASTE AREAS
Trash cans, waste containers and their surroundings

OTHER AREAS
Cracks and gaps in walls, baseboards, door frames and window sills

TIPS & GUIDELINES FOR BEST PROTECTION

USE REGULARLY
For lasting protection, apply every 7–14 days – more often in case of a severe infestation.

REDUCE HIDING PLACES
Keep cockroaches and pests away from dark, damp and undisturbed areas. Check them regularly.

CLEANLINESS IS KEY
No open food, crumbs or grease deposits – this removes the pests' food source.

REDUCE MOISTURE
Seal leaks, keep areas dry and ensure good ventilation, especially in the bathroom and kitchen.

COMBINE FOR MAXIMUM RESULTS
Combine with proper cleanliness and regular inspection to keep your home pest-free i the long term.

FAST. EFFECTIVE. RELIABLE.

Natural active ingredients with geraniol – powerful against cockroaches and pests, yet gentle on your home.

GREEN GUARDIA

FAQ – FREQUENTLY ASKED QUESTIONS

COCKROACH & PEST SPRAY

Here you will find answers to the most important questions about our **Cockroach & Pest Repellent Spray.**

WHAT IS THE GREEN GUARDIA COCKROACH & PEST SPRAY?

It is a ready-to-use repellent spray with a plant-based formula containing geraniol and essential oils. It reliably protects living spaces, kitchens, bathrooms and other areas from cockroaches and pests and prevents infestations.

WHICH AREAS IS THE SPRAY SUITABLE FOR?

Ideal for indoor and outdoor use: kitchens, food storage areas, cabinets, bathrooms, cellars, storage rooms, behind appliances, on door thresholds, baseboards, cracks and crevices.

HOW DOES THE COCKROACH & PEST SPRAY WORK?

The natural active ingredients with geraniol disrupt the orientation behavior of cockroaches and pests and reliably keep them away from your living space. This effectively prevents new infestations.

HOW QUICKLY DOES THE SPRAY WORK?

The effect starts immediately after spraying. Cockroaches and pests avoid the treated surfaces and look for other areas.

IS THE SPRAY SAFE FOR PEOPLE AND PETS?

When used properly, the spray is safe.
Avoid contact with eyes and mucous membranes.
Keep out of reach of children and pets.

DOES THE SPRAY CONTAIN CHEMICAL INSECTICIDES?

No, our spray does not contain chemical insecticides. It is based on plant-based ingredients and is free from synthetic additives.

HOW OFTEN SHOULD I USE THE SPRAY?

For prevention, apply every 5–7 days.
In case of an acute infestation or higher risk, use every 2–3 days.

DOES THE SPRAY LEAVE STAINS OR RESIDUE?

When used properly, the spray does not leave stains or residue. We recommend testing sensitive surfaces on an inconspicuous area beforehand.

WHAT DOES THE SPRAY SMELL LIKE?

The spray has a pleasant, natural scent from essential oils such as citronella and geraniol, which dissipates shortly after application.

HOW LONG DOES THE SPRAY LAST?

Once opened, it is stable for at least 18 months. Use within 6 months after opening.

CAN I ALSO USE THE SPRAY OUTDOORS?

Yes, the spray is also suitable for outdoor use, e.g. for garden sheds, trash bin areas, patios, carports and other places where cockroaches and pests may occur.

DO I NEED TO VENTILATE AFTER USE?

Brief ventilation after application is recommended, especially in enclosed rooms.

OUR TIP:

- Combine the spray with regular cleaning and tidiness.
- Store food in closed containers.
- Seal joints, cracks and crevices.
- Do not leave food residues or moisture behind.

USE BIOCIDES WITH CARE.
ALWAYS READ THE LABEL AND PRODUCT INFORMATION BEFORE USE.

GREEN GUARDIA

SERVICE & SAFETY INSTRUCTIONS

SAFETY INSTRUCTIONS:

INSTRUCTIONS:

- **Shake well before use:** The spray contains natural oils; some components may settle. Use only a well-homogenized product.
- **Do not apply in direct sunlight:** It is best to apply early in the morning or late in the evening to avoid discoloration of surfaces or damage to plants.
- **Test on a sensitive surface before use:** First test on a small, inconspicuous area and wait 24 hours.
- **Keep out of reach of children and pets:** Although it is of plant origin, avoid contact with eyes or mouth.
- **Store in a cool, dry place and protected from light:** Optimum storage temperature: 10–20 °C (50–68 °F). Protect from frost and direct sunlight.
- **Do not release into the aquatic environment:** The product must not be discharged into ponds, aquariums or drain systems.
- **The use of gloves is recommended:** Wear gloves during spraying and, if necessary, protective goggles, especially in the case of frequent use or on large surfaces.
